

1892
Ceremony
Anthony

Tuesday - April 29

Dear Bert:

A note has just reached me from ~~Mrs. Olivia Johnson~~, National Chairman of the Susan B. Anthony fund for our National Federation of Business and Professional Women's Clubs Inc., saying she has received her invitation to the unveiling ceremony and expects to be present. Mrs. Johnson is coming from St. Paul, Minnesota, and is coming because she will now have the opportunity to be present at such an historic event again. She has done an exceptionally fine fund-raising job in Minnesota for Susan B. Anthony. I am inclined to say she merits an invitation to your tea, and wonder if you agree.

If you receive an acceptance to the ceremony from Mr. and Mrs. A. M. Horner and their young daughter, of Jackson Heights, I would also be inclined to send them a tea invitation if it meets with your approval. Mr. Horner is an officer of The Chase National Bank. Mrs. Horner is the daughter of a college president.

These are the only persons I can think of at the moment as meriting tea invitations. You have received a tea list from the National Federation as well as from the National Woman's Party. Anyone else whom I would suggest would undoubtedly be on those lists. If, however, any other names should occur to me, I shall be pleased to send them to you. What would you think of asking Miss Follenberg McCray if she accepts for the ceremony?

Again, may I congratulate you for having arranged such an impressive program. This has involved a tremendous amount of work, but when the purpose is such a noble one, there is considerable gratification in a job well and successfully done.

Sincerely,

Edith
